Now that you have registered with Get Green and received your fundraising kit, you may be asking yourself, "Now what?"

1. Organize your group to do a cell phone collection campaign.
Simply place the collection boxes (included with your kit) in high traffic locations and collect phones. Also, you may want to consider a "Door-to-door" Cellphone Drive. See the Campaign Checklist for more info.
2. Shipping:
 - Gather all the collection boxes. Consolidate them to make full boxes.
 - Pack them with newspaper and/or other shipping materials.
 - Apply the shipping label and ship them to us for FREE!
3. Receive a check payable to your organization within a few weeks.
4. Repeat! Get Green is a very easy, on-going, "no cost" fundraiser.
